- Law Firms
- Project Developers
- Utilities
- and more

### Users

- Attorneys
- Energy Traders
- Originators
- Portfolio Managers
- Research Analysts
- and more

## Why EnerKnol? EnerKnol puts you in the driver's seat

- Access tens of millions of filings including orders, rate cases, and stakeholder documents
- Streamline data across hundreds of government offices
- Ensure real-time knowledge of new and emerging energy regulations
- Access critical regulatory information not covered elsewhere
- Save money and time by automatically tracking important topics and proceedings

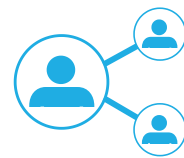

Search and discover filings across multiple agencies

Set up Monitors to track regulatory / legislative updates

Receive automatic notifications for your Monitors

Share documents and searches with your colleagues

## EnerKnol enables refining searches by:

### Agency

Filter sources of information by name, geography or category

### Keyword

Search by combination of keywords across all documents and dockets

### Other Criteria

Filter by criteria such as date range, docket/bill number and result type

The screenshot shows the search interface with the following elements:

- AGENCIES:** Search bar with "Select specific agencies by name", "United States" filter, and "PUC/PSCs" filter.
- SELECTED AGENCIES:** List of agencies including Alabama Public Service Commission (AL PSC), Alaska Regulatory Commission (AK RCA), Arizona Corporation Commission (AZ CC), Arkansas Public Service Commission (AR PSC), California Public Utilities Commission (CA PUC), Colorado Public Utilities Commission (CO PUC), Connecticut Public Utilities Regulatory Authority (CT PURA), and Delaware Public Service Commission (DE PSC). Includes a "CLEAR SELECTED AGENCIES" link.
- KEYWORD SEARCH:** Search bar with "Net Metering" AND "Retail Compensation" and "SEARCH WITHIN" dropdown set to "All Fields".
- TIPS FOR KEYWORD SEARCH:** Link for search tips.
- DATE RANGE:** "Past 12 Months" filter.
- DOCKET/CASE/BILL ID:** "Ex. 14-m-0101" filter.
- RESULT TYPE:** "All Bills, Dockets, Documents" filter.
- EK DOCUMENT TYPES:** "Rate Cases, Orders and Decisi..." filter.
- Buttons:** "GO" and "CLEAR" buttons.

## Get the Conclusions:

The screenshot shows the search results page with the following elements:

- Buttons:** "SAVE SEARCH" and "SAVE & TRACK SEARCH".
- Search Results Summary:** "14 Search Results", "1-10 of 14", "10 RESULTS PER PAGE", and "SORT BY RELEVANCE".
- Filters:** "CLEAR FILTERS" and "PAST 12 MONTHS".
- RESULT TYPE:** "Documents (11)" and "Dockets (3)".
- AGENCY:** Search bar and list of agencies including KY PSC (3), VT PUC (3), NC UC (2), GU PUC (2), ID PUC (1), and CT PURA (1).
- Document View:** "OPENING BRIEF" dated "13 Nov, 2019" from "ID PUC | Company Files | Idaho | IPC-E-18-15". Includes a "Last updated: 0 min ago" timestamp and a preview of the document content.

## EnerKnol's proprietary, in-house research and news content:

- EnerKnol Pulse:** Daily timely regulatory and legislative updates
- EnerKnol Week Ahead:** Weekly roundup of important regulatory milestones and deadlines
